

Welcome our new Doctor.!!

Wei Chen MD.

Dr. Wei Chen received her medical degree from Shanghai Medical University in China and a PhD degree in Neuroscience and Molecular Biology from Mt. Sinai School of Medicine in New York City. She completed her pediatric residency training at SUNY Downstate Medical Center in Brooklyn. Dr. Chen has been in private practice for more than 13 years in Westchester County. She is fluent in Mandarin Chinese, Shanghainese, and English. Dr. Chen is eager to serve the Chinese population and help them to cross language and cultural barriers. She lives in Englewood Cliffs, NJ with her husband, son, and daughter. Dr. Chen likes to spend her free time with her family. She enjoys classical music, photography, and ballroom dancing.
